Fiendish Freddy's Big Top O' Fun

Screen shots from Amiga™ version.

All right, boys and girls. You're in for quite a treat with *Fiendish Freddy's Big Top O' Fun*. We have not one, not two, but six, count 'em six, zany games of circus excitement. Yes, friends, a real sports-o-rama. Soon you'll be the talk of your neighborhood as you compete in the death-defying events in this circus extravaganza. And a word to the wise—watch out for that rascal of a saboteur, that do-er of dastardly deeds, that vindictive victim of the rare form of dementia known as *circusus interruptus*—the one, the only, *Fiendish Freddy*.

And now, from the home office in Northbrook, IL, here are the top five reasons why you should play *Fiendish Freddy's Big Top O' Fun*:

Number 5: Because this program contains not one, but two scantily-clad, fully-endowed babes.

Number 4: Because you can do this by yourself and *not* go blind.

Number 3: Because it will help stimulate the economy—particularly ours.

Number 2: Because we left circus tickets for Elvis at the will-call window.

And the number one reason...Because we offer breakthrough animation, dazzling graphics, slapstick, cartoon-style humor, and big time big top fun. And because we said so!
